

Latest updates

These summary engagement reports highlight the main feedback, analysis and participation numbers from our hui and surveys between late May and early September

Summary update covering the second half of our engagement

Included in this update below is a summary of what we heard from service users and dedicated Māori and Pacific hui participants between 4th August and 7th September.

Summary update covering the first half of our engagement

Included in this update below is a summary of what we heard from non-government organisations (NGOs)/service providers, regional government agency staff and a number of government agencies at a national level between 31st May and 3rd August.
